BABSON DISCUSSES PREVIEW OF '55

(Exclusive NEWS Feature)

1. General Business. Despite wails from some quarters, 1954 saw a drop in the average Physical Volume of Business of only 5 percent from the record year 1953. 1955 could see a rise of about the same amount. Certainly, the direction of business until mid-1955 will be upward.
2. Businessmen Will Wake Up. During 1954 many businessmen rediscovered the meaning of the word "competition." Sales will continue to be made only with real effort in most lines.
3. Consumption Outlook. Consumption in a number of lines has been proceeding at a more rapid rate than has production. I forecast a better record in early 1955 for both steel and automobiles.
4. Textile Industry. Textile industry operated at extremely low levels throughout most of 1954. Coal and railroad equipment also exported a strong downpull. I forecast that the textile and coal industries will be in a recovery phase after their long stay in the doldrums.
5. Private Construction. I forecast that home building and general construction will be somewhat lower in 1955 than in 1954, but this important industry should still operate at high levels next year.
6. Public Construction. I forecast that public construction will increase during 1955. This should mean a rise in the output of cement.
7. Agricultural Equipment. This industry has been suffering from a decline in demand, but should now improve. Government-sponsored planting curtailment and crop loans have reduced free supplies, and may make for higher agricultural prices later in 1955.
8. Armament Industry. The armament industry will still be one of the main floors beneath the economy. The electrical and chemical industries will move at a rate close to that of 1954.
9. Other Industries. I am somewhat optimistic on clothing, air-craft manufacturing, air-line transportation, office equipment, electricity output, petroleum production, natural gas, and shoes. I am also fairly encouraging, at least through the first half of 1955.
10. Weather Conditions. It is foolish for me to attempt to forecast rains, droughts, frosts, etc., for any special section. However, taking the nation as a whole, I look for better weather in 1955.

(Continued On Page Eight)

Work Begins On Town Hall Addition Rich Brothers Awarded Contract

Work has already begun on the addition to the Robbins Memorial Town Hall after the awarding of the contract to the Rich Brothers Construction Company, Inc., the lowest responsible bidder. The sealed proposals were opened last Thursday noon.

The bid submitted by the Rich Brothers Company was \$145,144, some \$596 less than the next low bid of \$145,740 submitted by Joseph Gorman. Other bidders included Horn Brothers, Inc., \$146,885; C. A. Batson Co., \$146,980; J. J. Vaccaro Inc., \$147,400; John F. Griffin \$149,985; Franchi Construction Company, \$152,899; M. S. Kelliher Company \$157,400; and W. M. Boggart Company \$181,595.

The total of sub-bids submitted by the Rich Company and Joseph Gorman were the same \$53,143, while the Rich bid for their own work was \$91,996 and the Joseph Gorman bid \$92,592.

Actually the work will only cost the town a sum of \$143,000.23 rather than the accepted bid of \$145,144 since it has been decided not to use acoustical tile which

was included in the original bid. The tile would cost \$2,121.

The amount of the contract is substantially in accordance with the appropriation available for the purpose.

It has been learned, however, that an article will be introduced into the Town Warrant to cover the architects fee and the furnishings for the addition. The architects fee will be \$8,581.38, while the cost of furnishing is not known at this time.

Work on the addition is expected to be completed about September 1. The reason for building the three-story construction with its surface of curtain-wall concrete, is to alleviate the overcrowded conditions of some departments now located in the Town Hall and to accommodate other departments now located elsewhere, such as Board of Health, Welfare Department, Building Department, Veterans Department, Veterans Department and Personnel Department.

The contract provides that work of construction shall be laid out in such a manner as not to interfere with the use of the existing Town Hall facilities.

BIRTH

To Mr. and Mrs. Arnold P. Bradford (Frances M. McDermott) of 21 Pine Knoll road, Lexington, a daughter named Donna Marie on December 24, at Symmes Arlington Hospital.

MAY CHANGE TO BUSSES ON MASS AVENUE MTA ROUTE

Will Eliminate "Safety" Islands If Plan Is Approved

As the result of a meeting held last Tuesday night at the Hotel Commander, Cambridge, between General Manager Edward Dana of the MTA and Arlington and Cambridge officials, concerning a possible changeover from street cars to buses along Mass. avenue from Harvard Square to Arlington Heights, it was agreed that engineering problems and cost determinations are to be explored before any definite conclusions can be arrived at.

It is also understood that officials discussed and agreed that "safety islands" used as waiting areas by MTA passengers and blamed by many for the accidents along Mass. avenue over the years would be eliminated. If this action should take place then the street cars now operating would of necessity be replaced by some other means of transportation —

either buses or trackless trolleys. Present at the meeting were Arlington Town Manager Edward C. Monahan; Chairman of the local Board of Selectmen George Harris; MTA General Manager Edward Dana, Mayor John J. Foley of Cambridge, and Cambridge City Manager John J. Curry.

Meanwhile, a motion made by Town Manager Monahan at a meeting of the MTA Advisory Board at Mayor Hynes office Tuesday afternoon was approved, and it was voted by the group to ask the legislature to act on the matter.

The motion as voted said: "That the legislature go forward on construction of Rapid Transit facilities from Harvard Square to North Cambridge by funds other than MTA funds."

The motion concerned a project considered by the board at an estimated cost of \$24,000,000.

STARTING THE MARCH — Members of the Arlington Auxiliary Police who helped out with the record number of March of Dimes cards which were sent out to Arlington residents Monday. Seated L. to R.: "Chuck" Sanborn, Earl King, Raymond Renner, John Rochi, and Harold Virtue. Standing - L. to R.: Jack Podger, Earl Foster, Clarence Marsh, L. C. Smith, Stanley Pilling, Daniel Thomas, John Smith, John Cronin, Frank Haines, Arthur O'Brien, Eli Reingold, and William Luther.

Record Number Of "March Cards" Sent To Arlington Residents

Francis Coughlin, vice chairman of the local March of Dimes Committee has announced that 13,342 dime cards were mailed last Monday by the local group. The figure represents the largest number of Arlington residents, and represents a card to every family.

Last Friday afternoon, 38 young representatives of St. Agnes Girl Scouts, supervised by Mrs. Francis Fullerton, stuffed the dime cards into their outer envelopes for mailing.

Later that night, a like number of Arlington Auxiliary police led by Jack Podger and Clarence Marsh, sealed and sorted the envelopes in final preparation for their delivery.

The March of Dimes Committee in Arlington urges the speedy return of your generous contributions to this worthy cause. No postage is required to return the dime card.

Arlington Council To Hold Annual Meeting

The seventh annual meeting of the Arlington Council of Churches will be held Friday, January 7, at 8 p.m. at the Universalist Church.

Summary reports from the Third Biennial Assembly of the National Council will be given by the delegates, Mr. Walter Sargent and Mrs. Virginia Anderson; and Rev. Milton Schadege will brief the Annual Meeting of the State Council of Churches.

It is expected that the Social Action Committee of the Council will make an interesting report on certain town-wide projects.

Kiwanis Club Installs Officers

Annual Installation and Ladies Night will be held by the Arlington Kiwanis Club, tonight, at 7 p.m., at the Fresh Pond Grill. Installation will be conducted by the Lt. Governor Al Haley of the Fifth Division.

Officers to be installed include: Jack Katz, president for 1955; Frederick Crawford, First Vice President; Ronald Bricher, Second Vice President; Arvid Tilton, treasurer; Russell Perham, Immediate Past President; and Directors, Elmer E. Anderson, Carl A. Everberg, Dr. L. Curtis Foye, Harry J. Patterson, L. Brooks Saville, Charles Schultz and Philip Simoni.

Two Injured In Holiday Mishaps

Two accidents causing personal injuries to car occupants were reported over the holiday weekend by local police.

Evelyn Cass, Meadowvale road, Burlington, complained of injuries to her right knee after the car she was driving struck a utility pole in front of 55 Mystic street Sunday morning. The vehicle was headed in the direction of Winchester.

Early Sunday afternoon, Garcia Manzano, 2, a passenger in a car driven by Phillip Manzano, 22 Strathmore street, Medford, was injured when the vehicle was in collision with a car operated by Edmund Kelley of Somerville. Both cars were traveling outbound on Mystic street at Fairview avenue going towards Winchester.

"No Fire Hazard As Result Of Silk Street Parking," Say Officials

In a recent letter to the Town Manager, Chief of Police Ryan stated that as the result of investigation conducted by the local police and fire departments it is believed that the situation now existing on Silk street does not create a serious fire hazard.

Lieut. Charles O. Toomey was assigned to investigate the communication received from the Secretary of the Crosby School PTA and reports as follows:

"I herein submit the following report of my investigation of the reported fire hazard now existing on Silk street due to automobiles being parked there all day.

This condition is caused by the "One Hour Parking" restriction which has been placed on Broadway at this location. The cars parked on Silk street are owned by the employees of the New England Telephone & Telegraph Company whose trucks are garaged in the garage owned by the Mirak Chevrolet Company, located at the corner of Broadway and Silk street. All these cars had been parked on Broadway until the restriction went into effect.

With Acting Deputy Chief Caniff of the Arlington Fire Department, I went to Silk street and observed conditions there. We found that although the Fire Department would have easy access to the street in case of fire, it would be much better if parking was restricted to one side of the street. This being an unaccepted street, we do not have the power to put into effect these restrictions.

I later talked with Mr. Mirak, the owner of the property where the Telephone Company garages their trucks, and he informed me that at the time the Company took over the garage, he offered them a large lot of land in the rear which the employees could use as a parking lot but that the residents of Silk street had opposed it with the result that the above condition now exists. Mr. Mirak further stated that his offer still stands.

The acceptance of Mr. Mirak's offer by the Telephone Company and the non-interference of the

residents of Silk street to his offer, would rectify existing conditions in this section of the town; as Mr. Mirak also stated, the lot would accommodate about 150 more cars than now use the streets for parking purposes.

If the above offer is again rejected the only remedy, in my opinion, is to amend the restriction now in force on Broadway and allow parking on the south side of this highway.

Both Acting Deputy Chief Caniff and I do not believe that the situation now existing on Silk street creates a serious fire hazard."

This situation could only be resolved by either rescinding the one hour parking on Broadway between Marathon street and the Somerville line or by permitting Mr. Mirak to utilize the property in the rear of his garage.

Very truly yours,
Albert E. Ryan
Chief of Police

4 WINDOWS BROKEN
William Rowley, custodian of the Bishop School, reports that three windows were broken on the first floor front of the school and another on the first floor rear early Saturday afternoon. Later in the afternoon it was reported that boys were seen in the vicinity of the school.

Junior Legion Edges Boys Club

The Junior Legion clinched a 36-21 victory over the Boys Club basketball team, December 28, in a Park Department game held at Junior High West.

Center Hayes and right guard Burns with 10 points each paced the winner, while right forward McKinnon with five baskets from the floor and four more from the free throw line accounted for more than half of the points netted by the losers.

Mata And Hari At Town Hall

Mata and Hari, comdev dancers and television dance attractions will be at the Arlington Town Hall February 3, with their company under the auspices of the Women's Aid Association of Symmes Hospital for the Hospital Benefit Fund. Mrs. Frank Sweet is chairman.

TO THE EDITOR

Memo to Editor
Arlington NEWS
At this time, we should like to thank all our friends in the newspaper profession for their help toward making the past year the most successful yet in the annals of the Museum of Science. Attendance has broken all previous records, and community interest in Science Park activities and services has exceeded all expectations. We are sincerely appreciative of the part you have played in this achievement, and look forward to your continued support in the year ahead.

Best wishes for a happy and prosperous 1955.
Bradford Washburn
Director

Not Too Late

In an appeal for acknowledgments of the 1954 Christmas Seal letters, Mrs. Richard J. Clark, Christmas Seal Sale Chairman, stressed that it is not too late to make returns, even though the Seal Sale will close officially on December 31.

"Responses to Christmas Seal letters have been gratifying," she said, "but there are still quite a few to be heard from. Many people, I am sure, have not out answering their Christmas Seal letters in the holiday rush."

MEDICAL EQUIPMENT donated annually to several Hub hospitals by Greater Boston Automotive Wholesalers Hospital Equipment Fund are shown to Dr. Henry Baker, chief of staff, center, and Murray Fertel, executive director, Jewish Memorial Hospital, second from right, by fund officers at presentation of apparatus in Hotel Lenox. Officers are Morris Ellis, Boston, treasurer, left; Julius Rubin, Somerville, president, second left; and Louis Blumenthal, Hyde Park, vice president, on right. Jewish Memorial Hospital, which specializes in chronic illnesses, was recipient of some of the equipment.

Park Department ACTIVITIES

The Committee appointed by vote of the Annual Town Meeting to secure plans and specifications for the construction of a school building adjacent to the Florence avenue playground, has held frequent meetings since its appointment by the moderator. The Committee made an exhaustive study of school construction by various architects and selected the Anderson-Nichols Company to provide them with drawings, model and specifications.

The Anderson-Nichols Company, the committee feels, is well qualified to provide the architectural services for the proposed school. The Company was founded in 1922 and has had wide experience in the construction of schools and other specialized structures. Their architectural-engineering division is a completely integrated organization with all design, engineering and supervision of construction handled directly by the staff. There is one responsibility and no engineering is sub-contracted. The Anderson-Nichols Company has served the Departments of the Army, Air Force, and Navy, as well as many other Government agencies.

The architect in charge of the proposed Florence avenue project is Mr. David Morse, a junior partner in the firm and a member of the architectural and engineering division. He is a graduate of the Massachusetts Institute of Technology, and a member of the American Institute of Architects. He has served as architect for a large number of schools including Worcester, Framingham, Monson, Natick, Hamilton and Holden, Mass.

The Committee has held two conferences with the State School Building Assistance Commission, and the preliminary plans for the building have been given approval. The Committee appointed by the Moderator consists of: Mr. Mortimer A. French, chairman, Mr. Horace Homer, Mr. Samuel Lanza, Mr. Joseph Bevins, and Mr. Edward C. Monahan.

Holy Name

Meets Sunday

The monthly meeting of St. Jerome's Parish Holy Name Society will be held January 9, at the Hardy School, Lake street, Arlington, following the 8 a.m. Mass. The speaker will be the Rt. Rev. Monignor Daniel T. McGilgan, Ph.D., Executive Director of Nazareth, who will speak on the workings of Nazareth. Since the Archbishop has designated this Sunday as Family Sunday the members have been encouraged to receive Communion in a body with their families.

Women's Club Country Store

Arlington Catholic Women's Club will hold a business meeting at the American Legion Hall, Wednesday, January 12, at 8 p.m. Following the business meeting a "Country Store," the proceeds of which will be used for the Charity Bridge expenses.

The public is invited to attend after the business meeting at 9:00 p.m.

Chairmen for the evening are Mrs. William O. Hauser, Mrs. William J. McKeever, and Mrs. George D. Higgins. Coffee Hostess for the evening will be Mrs. Thomas E. Burns.

Miss Miriam Orth, daughter of Mr. and Mrs. Samuel Orth, Winchester, has been named at the United Air Lines operations at Salt Lake City Municipal Airport No. 1 at Salt Lake City, Utah, following her graduation from the United Air Lines Hostess Training School at Cheyenne, Wyoming.

Scout Notes

A colorful Bobcat ceremony was exemplified by Pack 13 recently at which 28 new Cubs were inducted into membership in the Pack. Akeia (Stanley Ryan) in full ceremonial attire was very impressive. Pack Committee chairman, Earl Foster, instructed the new Cubs and their parents in the duties and responsibilities of both. The properties, lighting, sound effects and stage managing were handled by committeemen George Falwell and Jack Hoar. Cubmaster, George Lemos, presided. The new Bobcats include: Richard Chamberlain, Robert Chisholm, John F. Clines, Theodore D. Dizenadeto, Charles Durant, Frederick Durham, Terrance Harris, Thomas W. Falwell, Jerome Pickers, John Foley, Salvatore Fieda, Robert W. Hannaford, Stephen M. Kelly, Thomas Leverone, Edmund C. Longarini, Jr., Gerald G. Madden, David Mooney, John R. Noonan, Joseph O'Brien, Edward O'Leary, Jonathan A. Pierce, Walter Pickett, Jr., John Pond, Peter Scully, Thomas Shaughnessy, John V. Styles and Kevin Sweeney.

After the ceremony the annual Christmas party was held in St. James Hall attended by 250 Cubs, parents, brothers and sisters. Cubmaster, George Lemos, opened the ceremonies and announced future events and the plans that are being made for the Scoutrama aid Scout Sunday in February. A Western Union messenger interrupted the program to deliver a telegram from Santa Claus announcing that he was on his way and would soon be present in person to deliver Christmas presents to the assembled children.

Santa Claus soon arrived with a big bag full of presents. Seated on his throne on the stage he received the children, extending to each a greeting and an appropriate present. A supply of cakes and cookies had been provided by the den mothers under the direction of Chief Den Mother, Mrs. Grace Kelly. Christmas carols were sung by the members of each den. Rev. Robert W. Shea, CYO Spiritual director, spoke briefly on the significance of Christmas and extended a greeting to all present.

During the celebration prizes were distributed to the boys who sold the most candy in the recent sale to obtain funds to finance the activities of the Pack. Each Cub who sold more than 30 pounds of candy received a ball point pen. Nearly all the Cubs qualified for that prize. Special prizes were given to those who sold more than 50 pounds, including: Tommy Falwell, who sold a total of 232 pounds, Stephen Kelly, Walter Pickett, Dennis Cabral, Earl Foster, Jr., Billy Hoar, Fred Durham, Carl Healy Edmund Longarini.

Mrs. George Lemos, who for years has personally wrapped the presents for the Christmas and other parties, was presented with a sterling silver sugar and cream set, the gift of the den mothers and the Pack committeemen.

Leonard Wood Named Chairman

At its recent annual meeting, the Arlington Brotherhood Committee elected Leonard D. Wood as its chairman for the year 1954-55. John F. McGann, 35 Hawthorne avenue, was elected to fill the vacancy caused by the resignation of Arthur J. Mansfield. Other members of the Committee are James J. Golden, Dr. L. Curtis Foye, and David Govenar.

Organized in 1948 for the observance of National Brotherhood Week in Arlington, the Committee has continued its work of promoting intergroup relations in Arlington. In 1952, it established the "Good Neighbor Award" at the Boys' Club to the boy chosen by his fellow-members "who, having at all times shown a courteous regard in thought, word, and deed for the rights of others regardless of race, color, or creed and willingness to share the duties of life in his community... has been elected..." The committee has worked in close collaboration with the National Conference of Christians and Jews, and has received the earnest support of many group and church organizations in the Town.

To Mr. and Mrs. William H. Libby (Mary E. Higgins) of Wilmington road, Burlington, a daughter named Beth Ann on December 28, at Symmes Arlington

TOWN HALL Press Conference

The Board of Selectmen granted licenses to taxi owners, used car agencies, common victualers, and those operating lodging houses this week effective January 1.

The Town Manager has written a letter to Mr. Greenough of the MDC requesting that a study be made of drainage conditions in the Mystic Lake region, the Alewife brook and their tributaries.

In connection with this matter Chairman of the Board of Selectmen George Harris has written a resolution to the Governor, MDC officials, senators and representatives.

Bids will be opened for construction of the addition to the Town Hall Thursday noon.

The Selectmen voted to take no action in connection with complaints with the blowing of the horn at the Highland Fire Station at 6:45 a.m., noon and 6:45 p.m.

Carl Donlan, head of the local Dental Clinic, has resigned effective February 1, preceded by a one month leave of absence.

The Selectmen voted Monday to continue the practice of having the local fire department refill fire extinguishers in the town.

The Selectmen also voted that there is no need to discontinue the practice of police protection for those who deposit large sums of money at the banks.

The town has received notification that the Boston Edison Company will rebate 65 per cent of the normal cost of lighting for September. The bill for last September was \$6610.14, which was reduced to \$2,313.55, a net reduction of \$4,296.59.

As the result of insurance evaluation at the Crosby, Mr. Greim has been asked to get information concerning evaluation of other schools in town.

The Town Warrant opened last Monday and will close January 17 at 8 p.m.

Paul Todd and Edward Matheson have been chosen for the jury pool, February 7.

The emergency fund of \$20,000 declared last week to cover two December snowstorms may not have to be used after all as the finance committee may have enough in the reserve fund to cover the \$12,000 representing the cost of the two storms.

Carl Allen, incumbent member of the school committee has announced his candidacy for one of three vacancies. Also a candidate is David Ashton, Oakland street.

Thomas Prior has announced his candidacy for a post on the local Housing Authority. Mr. Prior lives at 909 Mass. avenue.

George Dolan of Arlington, president of the Mass. Tree Warden Association attended a conference in Worcester this week.

Architect Harold Knight stated in a letter to the Town Manager that he does not consider that a delay has or does exist in the Crosby school construction. According to Mr. Knight, a delay could exist only if conditions were such that the completion date might be affected.

The new inventory control system is now in operation at the Town Yard.

NEWS Observations

The Town of Arlington reportedly received a communication from the "International Sport Centrale in Vienna, Austria, recently, requesting that the Town set aside a day in 1955 in which the championship football team of Austria could compete with a local team.

The Christmas tree situation became one of serious concern this week, and Town Manager Monahan instructed Town employees to pick up trees that hadn't been disposed of.

Several instances of youngsters piling trees were reported by the local police.

All parents are urged to ask their children to refrain from piling trees especially in the areas where serious fire hazards could result.

A former chairman of the local finance committee, J. Howard Hayes, may have come up with an important discovery when he mentioned that a report was made several years ago concerning control of discoloration, etc., at Spy Pond and Reservoir Beach.

After searching through the archives of the town, the report was found at the board of health office, and it was discovered that under guidance and proper application of copper sulphate the present problem locally might be solved.

All those local residents who from time to time park beside the Town Hall while transacting business in the Town are asked not to park in that area in the future while the construction work at the Town Hall is going on.

Engagement

Mr. and Mrs. William H. Rule, 67 Quincy street, Arlington, announce the engagement of their daughter Patricia Ann on Christmas Day, to Lt. Christian William Meyer Jr., son of Mr. and Mrs. Christian W. Meyer of Verona, New Jersey.

Miss Rule was graduated from Arlington high school, class of 1950, and is completing her fifth year at the University of Vermont School of Nursing.

Lt. Meyer was graduated from University of Vermont, Class of 1953 and is now an instructor of Army tactics stationed in Munich, Germany.

Find Purses

Two town employees, Plumbing Inspector John Byrne and Police Sergeant Edward Sullivan, turned in purses containing money and other valuables to the police station this week.

Mr. Byrne turned in a purse owned by Mrs. Richard McQueen of 40 Upland road, West Arlington, and Sgt. Sullivan turned in a purse which he found on Medford street and which has not been claimed as yet. This purse did not contain any identification. The owner may recover same by calling at Police Headquarters and identifying it.

Gifts Recovered

Several Christmas gifts, taken from the car of Miss Ann Moreau, 6 Cottage avenue, between 5:30 and 6:45 p.m. Christmas night, were found by Mr. Dillenberger, 60 Columbia road, on his front lawn. The gifts were taken from the car while it was parked in front of 86 Columbia road.

At Aero Tech

Paul Nolan, 87 Prichard avenue, Somerville, enrolled at East Coast Aero Tech in November and has commenced training. Upon completion of the course, he will be eligible for a Federal C. A. A. license. The school is located at Bedford Airport, Lexington, Mass.

Cambridge Latin Beats Arlington

Cambridge Latin high school beat Arlington high school at Arlington 57-16 Tuesday night at Arlington in a Suburban League basketball game.

Rimenezza and McLaughlin paced the Arlington attack with 15 and 14 points respectively, while Athanas with 21 points led the Cambridge team to victory. Brisbane shipped in with 12 points for the winners, while White added 10 points.

Rimenezza hit on seven shots from the floor and added one from the foul line, while McLaughlin also connected for seven baskets for Arlington.

Right forward Athanas of the winners netted eight baskets from the floor and added five from the free throw line.

Appointed

T. Gordon Smith, 37 Wellington street, Arlington has been appointed as a Notary Public, it was announced last week by Secretary of State Edward J. Cronin.

The appointment, made by Gov. Herter, was confirmed at this week's meeting of the Executive Council, following which the commission was signed by Secretary Cronin.

The term of the Arlington Notary Public will expire in 1961.

Siren Question Still Discussed

Further inquiry is still going on concerning the sounding of the siren at the Highland Avenue Fire Station.

Those objecting to the siren are still voicing their opinion after the "no action" vote of the selectmen two weeks ago.

In a recent letter to the selectmen signed "whistle-blast" the question was asked "how was it determined that more people see the three-per-day blasts a help in timing daily routine over those who are bothered by the noise?"

The writer went on to say:

"As far as the blasts being a convenient timing device, whatever happened to clocks? We've been using them for years and years; do we suddenly need an expensive and ear-shattering whistle to tell us what time it is? (I will also wager that these nice, easy-going people who are happy about the whole thing do not live in the immediate vicinity of the Fire Station.)"

In a recent letter to the Town Manager, C.D. Chief Sweeney said that according to a survey made by Supt. of Police and Fire Signals ester Cameron that no results can be guaranteed if the volume of the whistle is cut down.

School officials don't think the volume should be cut, because the whistle is used as a no-school signal, an alarm not to be heard by many students.

Adelphian Bible Class Installs New Officers

Last Sunday the Adelphian Bible Class for men installed its newly elected officers for 1955. Those elected were president, Kris Samsury; vice president, Donald Prescho; secretary, Richard Haskell; and treasurer, Robert Luecht.

The president appointed the following committees: program committee chairman, Donald Prescho; members Howard Whitehouse, Earl Webster, Julian Seibert, Robert Noy, Fred Bodemer, William Bartell, Thomas Young, Richard Haskell, Edward Primmer, Robert Luecht, A. Stultz, James Rourke and Paul Constantine; Social committee chairman, Raymond Marsters; members Harold White, James Rourke, Robert Crocker, Rene Arnaud, Sr., Thomas White, L. Haskell, William Symington, Edward Primmer, Paul Symington, Raymond Newcomb, R. V. Symington, Richard Smith and Peter Bogdrea; Membership committee chairman James Rourke; members Richard Haskell, Robert Luecht, William Anderson, Sr., Fred Bodemer, A. Stultz and Harold Harlow; Music committee William Bartell and George Kinsman; committee for Men's Breakfast, co-chairmen Raymond Marsters, Donald Prescho, James Rourke, Howard Whitehouse, Richard Haskell, William Bartell; Members of this committee are to be named by the co-chairmen.

Mrs. Alfred Walton, the master of Youth, Mr. Charles S. Annons, delivered a talk on "Applied Christianity in Labor - Management Relations" followed by a discussion period.

At Fort Dix

John J. Murray, son of Mr. and Mrs. John F. Murray, 12 Endicott road, Arlington, has arrived at Fort Dix, N. J., and has been assigned to E Company, 364 Regt. of the 9th Infantry Division. Prior to entering the service, Murray attended St. Clement's high school, Somerville.

Albert West Guest Speaker

At Lions Club

Albert West, representing the Bar Association and chairman of Personal Relations, spoke on "Our Massachusetts Heritage" at the meeting of the Lions Club held at the Fresh Pond Grill, Monday, January 3.

Mr. West informed the group that a great amount of publicity should be given to the "Archives of the Commonwealth," the documents filed therein being very valuable and should be preserved for posterity.

The speaker stated, "The constitution of the Commonwealth of Massachusetts is older than the Constitution of the United States, and several other states copied it almost verbatim."

Mr. West stated that if our historical papers and documents could be properly displayed, people from all over the country, and the world could study "Our Massachusetts Heritage."

Member of the club Ralph Margeson brought a guest to the meeting, Mr. Fred Lawson, proprietor of Small's Gift Shop in Arlington. Mr. Lawson is a member of the Lions Club of Montpelier, Vermont.

Hardy P. T. A.

The Parent-Teacher Association meeting will be held Tuesday, January 11, at 8 p.m., in the school auditorium. A short business meeting will be conducted by Mrs. Robert Douglas, president, followed by a Cub Scout presentation under the direction of Mr. Herbert D'Arcy. A winter fair has been planned by the ways and means chairman, Mrs. John Mangurian and her committee.

Parents are donating home-made cakes, cookies, foodstuffs, candy, also plants, aprons and novelties. An award will be made to the room having the most sales.

Prayer Meeting and Bible Study.

CHRISTIAN SCIENCE

How purification of thought
brings freedom from fear, sick-
ness, and sin will be brought out
at Christian Science services Sun-
day.

Keynoting the Lesson-Sermon
entitled "Sacrament" is the Gold-
en Text from John (4:23): "The
hour cometh, and now is, when the
true worshippers shall worship the
Father in spirit and in truth."

From "Science and Health with
Key to the Scriptures," by Mary
Baker Eddy, the following pas-
sage will be read (242:1-3, 6):
"Through repentance, spiritual
baptism, and regeneration, mortals
put off their material beliefs
and false individuality. . . Denial
of the claims of matter is a great
step towards the joys of Spirit,
towards human freedom and the
final triumph over the body."

Scriptural selections include this
Beatitude from the Sermon on the
Mount (Matthew 5:8): "Blessed
are the pure in heart: for they
shall see God."

**CHURCH SERVICES**

a.m. - Morgan Memorial Radio pro-
gram WVOM, Mr. Schadegg.

PARISH NOTES
The Rev. Earl W. Douglas of
the City Missionary Society of
Boston was the guest speaker of
the Forum group last Sunday even-
ing.

The weeklong series of Univers-
al Week Prayer services will con-
clude tomorrow morning at the

Park Avenue Church Chapel. The
half hour services are held at 11
a.m.

Arlington ministers will ob-
serve Pulpit Exchange Sunday this
Sunday according to annual cus-
tom. Rev. Mr. Schadegg will ex-
change pulpits with another Arl-
ington clergyman.

Rev. Mr. Schadegg will be the
speaker on the Morgan Memorial
program of Devotions Tuesday,
January 11, at 8 a.m. The broad-
cast is heard over station WVOM,
1600 on the dial.

and 5 year olds.

**Former Umpire
Dies In Weston**

Augustus F. Gardella, 67, a
former Arlington resident, died
last Saturday at the home of his
son, Dr. Joseph Gardella, 479
North avenue, Weston.

Born in Boston, Mr. Gardella
played ball on the Pittsfield team
in the old Eastern League and
Nashville in the Southern Associa-
tion. He later umpired in the East-
ern and International Leagues. Re-
cently he has umpired high school
and college games and operated
bowling alleys in Medford and
Somerville.

He was a member of the Eastern
Umpires Association held member-
ship in the Knights of Columbus
and the Elks.

In addition to his wife he is
survived by a brother, Joseph of
Framingham, and two sisters, Mrs.
Louise Stone of Framingham and
Mrs. Katherine Reed of Panama.

A solemn high mass of requiem
was held Wednesday at 10 a.m. in
St. Anthony's Church, Somerville.
Burial was in Calvary Cemetery,
Roslindale.

BEAN SUPPER

The fourth of a series of Baked
Bean Suppers, sponsored by the
A. F. G. Brotherhood will be held
Saturday, January 8 at 6:30 p.m.

Served at the affair will be ham,
baked beans and strawberry short-
cake.

A moving picture will be shown
after the supper and the 91st birth-
day of William Richardson will be
celebrated. The suppers are part
of a project of the Brotherhood in
support of its Building Fund.

FIGHT POLIO NOW

Thousands of volunteers throughout Massachusetts launched the 1955 campaign this week to conquer polio. The campaign will continue through January 31.

Buoyed up by memory of the recent polio vaccine trials in which more than 28,000 Massachusetts boys and girls took part, they will set out to raise funds which will help to bring victory over polio.

Parents throughout the Commonwealth, realizing that the vaccine developed by Dr. Jonas Salk of Pittsburgh may bring an end to the battle against polio, were among the busiest and most dedicated of the volunteers.

"Although the future looks bright," said Bill Cunningham, Boston columnist and 1955 MOD state chairman, "we do not yet know positively the results of the trials, and we must remember that the chapters of Massachusetts have been under extremely heavy expense."

Although final figures are not in, more than \$710,000 was spent in Massachusetts alone last year for the treatment of 2345 patients. This is exclusive of many thousands spent in Massachusetts medical centers on research into the cause and cure of polio.

"The vital patient care program must continue for those thousands already stricken," Cunningham declared. Nationally, he pointed out, the March of Dimes in the last recorded 12-month period spent \$28,000,000 on patient care.

He paid tribute to his state vice-chairman, Edward C. Donnelly, Jr., Boston advertising executive; and Mrs. Arthur Hothel of Watertown, state chairman for women's activities, as well as to the nameless thousands throughout the state who have worked faithfully to conquer polio over the years.

The year 1954 brought 1023 new cases of polio to Massachusetts. These were in addition to the thousands of cases contracted in previous years and requiring treatment over an extended period, he pointed out.

Cunningham urged early and generous gifts to help restore a treasury seriously depleted by heavy expenses.

Red Cross Resumes Distribution Of Blood Product Gamma Globulin

The Red Cross is resuming distribution of the blood product, gamma globulin, which is used to combat measles, hepatitis and polio.

The Office of Defense Mobilization ended its allocation control of this blood product December 31.

The Red Cross said it will make no charge to recipients for gamma globulin it distributes, which may be obtained by physicians from the State Department of Public Health.

Gamma globulin is derived from blood donations that are not used for transfusions.

The Red Cross first started nationwide distribution of gamma globulin through State Department of Public Health in 1944. On January 1, 1953, until last week the Office of Defense Mobilization held control of its nationwide distribution.

The Red Cross said that people may be unaware that when their children and their friends have received injections for measles and hepatitis that the gamma globulin was made available through a donor's gift of blood which in turn was processed for the fight on these diseases.

Gamma globulin also was used as a measure to help prevent the crippling effects of polio. Hundreds of thousands of children received inoculations in many areas throughout the nation.

Gamma globulin, the disease fighter, is obtained from the plasma or fluid part of our blood.

Since nearly 95 per cent of us suffer from measles at one time or another, our blood when donated contains the chemical substances called antibodies which help fight the measles germs.

Doctors are also using gamma globulin to fight that form of jaundice called infectious hepatitis.

Medical scientists also are studying GG for its value in fighting other diseases including German measles which can cause deformities in unborn babies when pregnant women contract this form of measles early in pregnancy.

To help provide all the blood needed for transfusions and for the blood derivatives, the Red Cross urges donations at the local visit of the bloodmobile or at the 314 Dartmouth street center, near Conley Square, Boston.

Roger Babson's Column

(Continued From Page One)

11. Retail Sales. I forecast that the outlook for retail sales is bullish on rubber, paper, electrical equipment, certain types of building, and nonferrous metals.

12. Profits. Stiffening competition is chipping away at the profit margin. Return on invested capital is in a long term downward trend. The first few years after World War II were the golden years for the novice in business and for the inefficient. Those days are gone for awhile.

13. Selectivity. Higher labor and other costs, plus intensified competition, will continue during 1955. I forecast a high degree of selectivity in the effect of this trend on individual activities and companies. Victory will be for the nimble and for the strong!

14. Dividends. Recent high expenditures for new plant and machinery have left some concerns with very high depreciation charges. As new capital commitments are cut and depreciation remains high, cash inflow could expand. Such companies should be able to pay out in dividends a higher percentage of earnings in 1955 than in recent years, notwithstanding a moderate profits shrinkage.

15. Inventories. Inventories have been permitted to run down during 1954. As to all business expands, there will be a tendency to replace reduced stock, especially during the first half of 1955. Total manufacturers' inventories, however, may build up more rapidly than total business inventories. I forecast that total wholesale and total retail inventories will show little change from 1954 levels.

16. Prices of Manufactured Goods. Even with the expected pickup in demand, I see no sharp markup in industrial prices next year. Over-all supplies are generally ample. Hence, I forecast that industrial prices in 1955 will show little change from recent levels.

17. Food Prices. Food prices may firm later in 1955. The strong move into Government crop loans this year has made free supplies of most during the first half, but the late months may again witness a minor softening.

20. Rents, Etc. I forecast rental expenses may edge somewhat higher; clothing costs should be steady to moderately higher. There is small chance that food expenses can be greatly reduced.

21. Money Supplies. I forecast that money supplies will be ample for all legitimate business needs during 1955. With little likelihood of business getting out of hand on the upside, credit easing is more likely than credit curtailment in 1955.

22. Inflation. Fears, or perhaps hopes, of an inflationary boom should be buried. Barring outbreak of war, our productive capacity is sufficiently large to meet all demands for goods. I forecast that no runaway inflation is probable, even if the money managers increase the supply of money or ease credit.

23. Interest rates. Until the Treasury finds a way to balance the budget, hold business at high levels and unemployment at a minimum, I forecast little likelihood of higher interest rates.

24. Bond Prices. With the possible exception of tax-free bonds, I see no reason for increased bond prices in 1955. I forecast an increase in the issuance of tax-free revenue bonds.

25. Stock Prices. After so sharp a rise, the market could have a reaction; but I am forecasting no crash in 1955 such as we had in 1929. In fact, the situation changed for the better October 11, 1954.

26. Wages. I forecast that the wage trend in organized industry will continue to move higher at least in the first half of 1955. During the first half year, when business will be improving, the labor chieftains will also be quick to resort to the strike weapon.

27. Other Labor Gains. I forecast that the heavy guns of the labor bigwigs will be trained on the guaranteed annual wage, shorter work week, and more pensions. With a better congressional control of appointments to the National Labor Relations Board, the decisions of that body will swing more toward labor than toward management.

28. New Inventions. These will mostly be a labor-saving type. I forecast a marked increase in automation and cybernetics, and other marvelous changes in production methods.

29. Employment. Unemployment outlook is brighter, since business will be on the upgrade during the first half. I forecast that local and seasonal unemployment will still prove a knotty problem.

30. Failures. The salient business characteristic of 1955 will be bitter competition. Many companies already weakened by competitive conditions will no longer be able to keep afloat. I forecast a rise in both the number and the total value of failures during 1955.

31. Mergers. I forecast that mergers and consolidations will be encouraged by federal officials, if, by merging, a weak company can be saved. But while every effort will be made to prevent bankruptcies, Washington will frown on large mergers and consolidations.

32. General Real Estate Sales. The time is already past due when real estate prices should have been falling. Only a fear of World War III and easy credit have prevented this. Therefore, I forecast that a downturn in prices cannot long be postponed.

33. Uranium Craze. The greatest speculation will take place in the seeking and trading of land with uranium prospects. This is now centered in Colorado, Utah, and vicinity; but I forecast it will spread in a limited way to many other states and even to "offshore" property. It could exceed the gold rush of 1849. Another demand will be for woodlands which can be bought for a few dollars per acre.

34. Commercial Farms. These have suffered a decline in price as a result of the slump in agricultural prices and farm incomes. Unless more will be done politically for the farmers next year, I forecast that the recent decline in commercial farm prices may continue during 1955. Subsistence farms on the fringes of larger cities should hold up well in price as migration toward the suburbs continues.

35. Vacant Land in City Areas. With the exception of parking lots, city vacant land should experience a continued slow reduction in price during 1955; but no marked change in suburban vacant land, except agricultural items less burdensome. I forecast that new advertising programs by canners and other great food distributors will help farmers, stock raisers, and fruit growers.

18. Consumer Income. Consumer income will hold at satisfactory level. Most goods should move readily into consuming channels.

19. Living Costs. I forecast that during 1955 living costs will show little over-all change from present levels. There may be some firming

for parking. I am very bullish on land anywhere suitable for parking.

36. Business Property. I foresee little hope for improvement for such property in the larger cities during 1955. Business property in the suburbs has not been so inflated, and therefore will not be so vulnerable to declines and high taxes.

37. Industrial Building. The construction of new industrial plants gives every indication of continuing to mark out a downward course during 1955. I forecast that the brightest spot on the construction horizon for next year is the prospect for increased municipal construction, schools, hospitals, etc.

38. Residential Construction. The building of new homes has held at very high figures, at least during the first half of the year. New homes prices to be downward during the year 1955; they will still persist at very high figures, at least during the first half of the year. New homes will continue to be the choice of purchasers, even though older homes give better values.

39. Taxes. The Eisenhower Administration has clearly recognized that expanding business and increased expenditures for plant and equipment are the true sources for rising employment and more jobs. I forecast a continued aim during 1955 will be to have taxes aid business — and thereby help employees to more and better jobs.

40. Income Taxes. I forecast there will be no further relief in 1955, of the double-taxation feature on dividends or of the 25 percent capital gains tax. Furthermore, corporation income taxes will not be permitted to decline as scheduled next spring. I forecast that, unless business slumps more than I anticipate during late 1955, there will be no reduction in personal income taxes next year, except to correct some technical errors. Any relief for the individual "small" taxpayer will be saved until the election year, 1956.

41. Politics. The really big political news in 1955 will not be made by the laws that will be enacted, but by the tremendous preparations for the 1956 presidential campaign. Those who claim that President Eisenhower is at heart a liberal and will get along with a Democratic Con-

gress should remember the lessons of politics.

42. World War III. In my opinion, the initiative in international affairs still rests with Russia. The Kremlin is not yet ready for an all-out attack and no one in the West wants World War III. Malenkov is now pushing a "Peace Offensive." I am referring here to the year 1955 — over the long term, I still feel that a major holocaust is inevitable, but I forecast no World War III in 1955.

43. Foreign Aid. Our foreign efforts during the year will continue to aim at plugging the leaks and building new dykes against the flooding tides from the East. I forecast we will work hard to build up Europe, with Germany as the core; but Russia will make spectacular gains in the Far East, particularly in India.

44. Foreign Competition. As Germany rearms and the Brussels Treaty Organization goes into gear, I forecast further improvement in Europe. Competition from European manufacturers will, however, intensify. Reciprocal trade deals will be pushed. I would not be surprised to see a decline in our exports in 1955 and an increase in imports.

45. Churches and Charities. I forecast that the spiritual awakening which started in 1954 will continue into 1955 with an increase in church members. This is a very important sign. Gifts to charities will also increase, due to the more liberal allowance on taxes, up to 30 percent, provided 10 percent goes to churches, schools, or hospitals.

46. Travel and Sports. I forecast more money will be spent on travel and sports in 1955. This is becoming an important new industry and should especially benefit Florida, California, Arizona, New Mexico, the Great Lakes Region, New England, and the Northwest.

47. New Metals and Alloys. Next to air-conditioning, I expect great growth in the use of new metals and alloys. I forecast the rare-metal stocks will be sought in 1955 as were the oils in 1954.

48. Advertising. I forecast business spending in this field will increase further in 1955. It not only is the salvation of individual businesses, but is the best stimulant for national prosperity.

49. Population. I forecast the population will continue to increase during 1955, with a growing percentage of young people between 18 and 22. This means a greater demand for clothing, college education, and especially for new school buildings.

50. Conclusion. Develop Faith, Meditation, Health, and Good Works — with more attention to your family — to create reserves for real trouble which some day will come. Go to Church!

Engaged

Mr. Andrew Caniff, 21 Peter Tufts road, Arlington, announces the engagement of his daughter, Joyce, to Mr. George Sweeney, East Street, Boston.

Miss Caniff was graduated from Arlington high school and Felt and Terrant School, Boston. She is employed by the Arlington Buick Company.

Mr. Sweeney is in the United States Navy serving aboard the SS Joseph P. Kennedy, Jr.

A September 24 wedding is planned.

BIRTH

To Mr. and Mrs. James E. Kelley (Ann M. Harrington) of 63 Hall avenue, Somerville, a daughter named Kathleen Marie on December 24 at Symmes Arlington Hospital.

To Mr. and Mrs. Richard D. Kearns (Audrey M. Burness) of 47 Pine street, Arlington, a son named Richard David, Jr. on December 24, at Symmes Arlington Hospital.

Becker Display At Art Corridor

An exhibition of prints by Mr. Frederick Becker will be on display in the Art Corridor of the Robbins Library throughout the month of January. Mr. Becker who teaches advanced print-making at the Washington University Art School, St. Louis, Missouri, has loaned a selection of his graphic works, to make up an exhibition which is both technically ingenious and artistically fascinating. The artist is renowned for his

delicate and expressive color, and for his daring use of new materials, such as Plexiglass, and Dow-metal. The exhibition was arranged by the Robbins Print Collection.

Engaged

Mrs. Paul A. Smith of Arlington announces the engagement of her daughter, Barbara, to Mr. Carl W. Alsen III, son of Mr. and Mrs. Walter Alsen of Arlington.

Miss Smith is now attending Sargent College, while Mr. Alsen was graduated from M. I. T., and is a second lieutenant in the Army Signal Corps.

Local Residents Are New Year Parents

At least one New Year baby was born to Arlington parents this year. The youngster, a boy, was born at M. Auburn Hospital at 7:26 a.m. New Year's morning. Parents are Mr. and Mrs. Leo Grace, 10 Tremont street.

Two births were reported on New Year's Day at Symmes Arlington Hospital, both to out-of-town residents.

The first, a boy, arrived at 3:55 a.m. and weighed in at 8 pounds.

14 ounces. Parents are Mr. and Mrs. Charles Ramsey, 942 Waltham street, Lexington.

The second youngster was born at 10:09 New Year's Day, the son of Mr. and Mrs. Joseph Sacca, Hull street, Belmont. The boy weighed 8 pounds 10 ounces at birth.

Engaged

Mr. and Mrs. Herbert A. Merrill of Arlington announce the engagement of their daughter, Phyllis, to Mr. Edwin Ryan, son of Mr. and Mrs. Thomas Ryan of Cambridge.

A NATIONAL SERVICE AVAILABLE LOCALLY

Marine Sgt. Eugene J. Parsons, son of Ernest L. Parsons of 59 Newport street, and husband of the former Miss June M. Bass, both of Arlington, completes the decorating of the Christmas tree. Parsons is serving with the 11th Regiment of the 1st Marine Division in Korea.

Cpl. Edward M. Szymanski, son of Mr. and Mrs. Walter M. Szymanski, 315 Appleton street, Arlington, recently was graduated from the Army's United States Forces in Austria (USFA's) Tactical Command Non-Commissioned Officer Academy.

After completing the school's military instructor class, Szymanski returned to his duties as operation non-commissioned officer and demolition specialist in Company C of the 70th Engineer Battalion.

Pvt. Luke P. Lally, son of Mr. and Mrs. Luke Lally, 37 Westminster avenue, Arlington, is serving with the 2nd Armored Division's Combat Command "B" in Mainz, Germany.

Now undergoing rigorous training as part of the U. S. Seventh Army, the 2d Armored is maintaining the peak efficiency in thrust and mobility that earned its reputation of "Hell on Wheels" in World War II.

Private Lally, a clerk in the Combat Command B Center, entered the Army in May 1954 and arrived overseas the following October.

Pfc. Robert Doucette, 63 Teel street, Arlington, a graduate of Arlington high school, class of 1951, is now serving with the U. S. Army 61st Tank BN 9th Inf. Division in Ulm, Germany, since graduating from Engineering School at Fort Jackson, South Carolina, and Fort Knox Armored School, Kentucky.

Naval Aviation cadet, Peter Kramer III, son of Mr. and Mrs. Peter Kramer, Jr., 335 Mystic street, Arlington, successfully completed the basic training phase of the Navy's Pilot Training Program, December 16.

He reported January 2 to Corpus Christi, Texas, to continue his training in the Advanced Training Command, and received his wings and commission as Second Lieutenant, U.S.M.C.R. on or about June 1.

Cadet Kramer has been home over the holidays.

Ministers Exchange At Local Churches

"The Religious News of 1954" was the title of the sermon delivered at the Universalist Church Sunday by the pastor, the Rev. George J. W. Pennington. Following an annual custom, the minister brought to his people the high points in the events and trends in the world of organized religion from the previous year. Happenings on the part of individuals or large masses that were of particular religious concern, regardless of what organization of religion was involved, came to the congregation's attention from all over the world. The sermon was concluded with the words from the Pastor: "It may be that things which are, need not always be, and that if enough men and women think clearly enough, feel deeply enough, they shall then do enough together to bring us to that day when only one thing shall unite us, our success in walking humbly and in doing justly."

This Sunday the Universalist Church will participate in Minister's Exchange Sunday, sponsored by the Arlington Ministers' Association, which time a guest minister will officiate at the morning service.

Engaged

Mr. and Mrs. John L. Kelly of Westford, formerly of Arlington, announce the engagement of their daughter, Barbara Ann, to Mr. John H. Buchanan, son of Mr. and Mrs. John J. Buchanan of North Chatham.

A fall wedding is planned.

Spera Reappointed As Notary Public

Anthony F. Spera, 99 Madison avenue, Arlington has been reappointed as a Notary Public. It was announced recently by Secretary of State Edward J. Cronin.

The reappointment, made by Gov. Herter, was confirmed at this week's meeting of the Executive Council, following which the commission was signed by Secretary Cronin.

The term of the Arlington Notary Public will expire in 1961.

Howard Goding Plays At Piano Recital

Howard Goding, Chairman of the Piano Department of the New England Conservatory of Music, will perform Beethoven's Sonata, in E flat major, Schumann's Carnaval, and four selections by Debussy at a free piano recital in Jordan Hall, Sunday afternoon, January 9, at 3:30. Tickets without charge are available upon application to the Dean's Office at the Conservatory.

January Legislative Meeting Of Woman's Club Open To Public

Legislative Day of the Arlington Woman's Club will be held Thursday, January 13 in the Robbins Memorial Town Hall, with dessert-hour at 1:00 p.m. The Education and Topics Committees will serve as hostesses.

In cooperation with Mr. Edward C. Monahan, Town Manager, Mrs. James R. Boyd, Chairman of the Legislation and Citizens Committee of the Arlington Woman's Club, has arranged to bring before the community the following Town officials for the purpose of giving the citizens of Arlington a better understanding of the functions of the various departments in the Town government: Town Manager, Edward C. Monahan, will act as Coordinator; James J. Golden, Town Clerk; George A. Harris, Chairman, Board of Selectmen; William O. Houser, Chairman, Board of Assessors; J. Wilbur Anderson, Treasurer and Tax Collector; Arthur J. Mansfield, Chairman, Personnel Board; John B. Byrne, Jr., Chairman, Planning Board; William F. Carty, Supervisor, Parks and Recreation; Francis N. O'Hara, Asst. Supt., Public Works Department; J. Philip Bower, Agent, Board of Health; Sergeant Philip A. Sweeney, Director, Civil Defense; James C. McCabe, Acting Inspector of Buildings.

As a public service to the Town, the meeting will be open to the public at 2:30 p.m.

The Marian String Quartet of the New England Conservatory of Music, composed of Marian McCarthy, violin, Maude Sonroua, viola, Weeona Lander, violin and Eleanor Diemer, cello, will present a musical program.

Honor guests will be members of the League of Women Voters.

In the art corner, Mrs. Marion J. Ford, Supervisor of Art in the Arlington Public Schools, will arrange an exhibit of Art by the pupils of the Arlington public schools.

Large Turnout At Family Sunday

A large congregation attended the Family Sunday service on December 19, during which the Rev. John Heidt told an unusual Christmas story to the children. Special music included a duet, "Cantique de Noel," by Ruth Ellison, mezzo-soprano, and Gerald Giles, tenor. As has been the custom for several years, the sermon was omitted and the cantata "The Song of Christmas," by Roy Ringwald, was sung by an augmented choir. Soloists were Gratia Eagleson, Ruth Ellison, John Conant, Gerald Giles and Franklin Volpe, with Milton Paige as Narrator.

One hundred eighty-two adults and children bathed in the vestry at 5 p.m. for the annual Christmas Family Night program of group activities. Following refreshments, during which Santa Claus was on hand to accept confidences, families worked together on projects of their choice.

In charge of the various groups were the following: the James Wilsons and the Ernest Mandervilles, corsages and centerpiece; the Warren Berge and the Harold Morians, large Christmas tree ornaments; the Leslie Fishels and the George Rieses, table and door decorations; the Walter Carlsons and the Albert Huttons, small Christmas tree ornaments; the Fred Chapmans and the Warren Davisons, table favors; the John Heidts and the Henry Rusts, Christmas pageant.

The work period was followed by a brief worship service in the sanctuary, at which time a simple pageant telling the story of the first Christmas was given by those families who had chosen this as their project for the evening.

To Mr. and Mrs. Kenneth J. Garland (Barbara J. Betts) of 10 Dexter road, Lexington, a son named David Betts on December 17, at Symmes Arlington.

Philharmonic To Hold Concert

The Philharmonic Society will present its Spring Concert "The Creation" by Haydn. Rehearsals for the chorus will be held each Monday evening at 7:45 in Robbins Memorial Town Hall, starting Monday, January 3. The orchestra will meet each Wednesday evening at 7:45 in the auditorium of the Junior High East, starting Wednesday, January 5.

The conductor, Kalpan Novak, says new voices are needed for the chorus and instrumentalists for all positions will be welcomed.

John Doherty

A funeral mass for John P. Doherty of 898 Mass. avenue, Arlington, former engineer for the Boston Edison Company, was offered Wednesday at 9:45 a.m., in St. Agnes' Church, Arlington.

Mr. Doherty, who died suddenly Sunday night, was born in Waterbury, Vt. He was a charter member of the Knights of Columbus Council in Allston and a member of the Mt. Mansfield Trout Club in Vermont.

Arlington Guidance Counselors Complimented By National Paper

Arlington's School Department and the Town in general received a compliment worthy of mention in an article written by staff writer Mary Handy in the Wednesday, December 15, issue of the Christian Science Monitor.

The writer particularly singled out Director of Pupil Personnel Bert Roens for the outstanding work he has done with youngsters in the town.

Quoting the article: "Mr. Roens' honest love for young people, coupled with long training in education, have made him one of the most successful guidance counselors in Massachusetts."

The article goes on to explain how Arlington schools' start guidance work early, as soon as the teacher recognizes that the youngster has difficulties beyond the average.

Again quoting the news story as it appeared in the Monitor: "Arlington has done an outstanding job in keeping high school youngsters from dropping out of school before graduation. When the anti-drop-out program started in Arlington in 1939, from 30 to 40 per cent of the youngsters left school before graduation. Today this proportion is only four per cent."

"The drop-out program is one key to preventing delinquency. It is estimated that two-thirds of the youngsters who get into trouble with police have dropped out of school. Simply keeping them in school is not enough."

"But the biggest factor in reducing delinquency through schools is identifying the problem children early in grade school, according to Mr. Roens."

The article also goes on to explain how the Arlington schools have initiated weekly human relation classes in grade one through nine in which the teachers discuss subjects all having to do with healthy adjustment of the child.

The staff writer of the Monitor concludes her article with the following quote from Mr. Roens: "We're not turning these children into leading citizens. But we're helping children to understand themselves better. And many, many youngsters who have stolen, or lighted fires, or broken windows are understanding why they do these and are learning not to do them."

BIRTH

To Mr. and Mrs. Charles J. Lewis (Dorothy A. McHattton) of 78 Rutland street, Malden, a son named Charles on December 21, at Symmes Arlington Hospital.

To Mr. and Mrs. Henry G. Av-joan (Helen J. McCarty) of 80 Franklin street, Arlington, a son on December 21, at Symmes Arlington Hospital.

Two Hurt In 3-Car Collision

Two drivers were taken to Mt. Auburn Hospital as the aftermath of a three car collision at the lights at Lake street and Route 2 Tuesday afternoon.

A car operated by Andrew McGoldrich, 30 Merrill road, Watertown, while traveling west on the Concord turnpike and making a left turn into Lake street was struck by a car owned by Kenneth Joel, 60 Grandview road, Arlington, traveling east on the turnpike.

The McGoldrich car then struck a car operated by Francis Egan, 64 Freeman street, Arlington, stopped at the light, continued on and after striking a tree, struck a house at 22 Lake street, Belmont, owned and occupied by Mrs. Elaine Cornet.

The drivers of the first two cars were taken to Mt. Auburn Hospital in the police ambulance.

TO THE EDITOR

May I express to your readers the cordial good wishes of the Boston Metropolitan Chapter of the Red Cross for a happy Christmas season?

Although this is the traditional season for giving, we would like your readers to know that through their contributions of blood, their donation of time and talents as volunteers, and their gifts of money through the year, the Red Cross — in their name — has been able to give aid and comfort to sick neighbors and friends, to those distressed by disasters, to servicemen and their families having personal problems and to all the others whom it has been our privilege to help.

We are especially proud of the work at this season of the patriarchal, public and private school children who have been so busy in Junior Red Cross projects.

Their Christmas gifts literally will span the globe — from the North Polar regions to the deck of the S. S. Atka now enroute to its Antarctic adventure.

May we take this occasion to thank the staff of your newspaper for the cooperation you have given to the work of the Red Cross down through the year? Merry Christmas.

Sincerely yours,
Thomas Motley, II
Chapter Chairman

To the Editor

Dear Jim:
I wish to call your attention to an editorial printed in the Boston Herald December 24, 1954.

In 1949 as a member of the Legislature, I filed a bill calling for the Extension of the Harvard Square Subway to the Arlington, North Cambridge boundary line.

It was recommended by the legislature at that time a study be made by the Committee of Metropolitan Affairs, of which I was a member of the whole subject matter of the Extension to Arlington.

The Committee recommended action being taken on setting aside some seventy acres of land at the Arlington - North Cambridge line for terminal purposes, and a further study of the Extension.

The land has now been set aside by Legislative Act for Terminal purposes and the study was ordered with appropriate funds to be conducted by the MTA Engineers as to the cost of this Extension.

This report now referred to in the Boston Herald has now been made to the Legislature for action in the next session of the General Court.

Their thoughts on the Report are in line with mine that "We should wake up at this time before it is too late" and take definite action on this Extension!

In addition to speeding up mass transportation to Boston and other near by cities and towns it will open other highways badly needed to Boston. If they eliminate the old fashioned Street Cars from Mass. avenue in Arlington and Cambridge they will open up a broad highway badly needed, also save lives and danger of people crossing this main highway getting on and off street cars in the middle of a heavy traveled thoroughfare. It will increase Real Estate values and improve the whole Metropolitan area North and West of Boston.

This printed Report will be ready for Public Reading soon, and I hope your newspaper and other civic minded papers and organizations will support and recommend to the Legislature that action be taken now!

Yours truly,
Henry E. Keenan

Engaged

Mr. and Mrs. John Crosby of Arlington announce the engagement of their daughter, Ann, to Mr. Charles F. Onthank, son of Mrs. Beatrice Onthank of Arlington.

Miss Crosby was graduated from Green Mountain Junior College, Vermont, while Mr. Onthank is attending Northeastern University. A summer wedding is planned.

Engaged

Mr. and Mrs. Cornelius Delaney of Watertown announce the engagement of their daughter, Joan, to Mr. Edwin Collins, son of Mrs. James Collins, and the late Mr. Collins of Arlington.

Miss Delaney was graduated from Rosary Academy and Emmanuel College.

Billy Squires Mile Winner

Billy Squires, a junior at Notre Dame, was named the outstanding performer in the New England A. A. U. track meet last week.

The Arlingtonite won the one-mile by some 25 yards in a time of 4 minutes 31.8 seconds.

Squires, who hopes to run in the Knights of Columbus events later in the winter, held the lead all the way except for a brief period on the third lap.

Greatest Size, Luxury and Power

Ever Priced So Low!

Wondering what new car to buy? Step to the window, watch traffic, and you'll see how others are settling this question. They are buying Pontiacs—at a faster rate than ever before in history!

Ask why and you'll hear many reasons, but the basic reason is this. The '55 Pontiac personifies everyone's dream of what a modern car should be.

There's Pontiac's unique combination of beautiful long, low lines, Vogue Two-Tone styling, and Twin-Streak distinction.

There's Pontiac's long wheelbase—the

secret of the wondrously safe, smooth ride that makes you and your passengers the happiest people on wheels.

There's Pontiac's roominess and luxury . . . living-room comfort and mode-of-tomorrow decor . . . along with picture-window vision all around.

And there's Pontiac instant control and Strato-Streak V-8 performance—but these must be enjoyed to be believed.

Take a total of the foregoing and here's the result—more of everything than a like amount of money has ever bought before!

How much money? You can actually buy a Strato-Streak-powered Pontiac for just a few dollars more than the very lowest-priced cars! Come in and find out how little it costs to switch to modern motoring.
